Ahmedabad

Subject: Invitations to deliver an expert talk for GUJCOST sponsored FDP on "**Recent Trends in AI, ML and Deep Learning**" to be organized by IT Department, BVM during **28th December 2020 to 02nd January 2021.**

Dear Sir,

Warm wishes from **Birla Vishvakarma Mahavidyalaya Engineering College!**

BVM is the first engineering college of state established way back in 1948 by inspiration and motivation of Iron man of India Shri Sardar Patel and generous contribution from Shri Ghansyamdas Birla; functioning under umbrella of Charutar Vidya Mandal (CVM). BVM is granted Academic Autonomy by UGC from Academic Year 2015-16 for the period of 6 years. BVM is the first Autonomous degree engineering college of Gujarat State.

Information Technology department, started in the year 2001, is offering programs of B. Tech. I.T for graduate studies. The department has well qualified and experienced faculty members and supporting staff, enrich laboratories and smart classrooms.

Information Technology department have planned a training program, sponsored by GUJCOST, on "**Recent Trends in AI, ML and Deep Learning**" during **28th December 2020 to 02nd January 2021**. The aim of this FDP is to provide the teaching faculty with a deep insight in to the field of AI, ML and Deep Learning. This FDP will provide a unique platform for enhancing the knowledge of the faculty members who are doing research or planning to do research in the mentioned area.

Looking at your expertise and contribution, I request you to kindly accept the invitation and deliver an expert talk on the said training program.

With deep regards,

Dr. Keyur Brahmbhatt
(Convener & Head, IT Dept.)
