Subject: Invitation as Judge for the Open House Kaizen2K-22 of Final Year B.E Projects on 22nd April 2022

Dear Sir/Madam,

It is with great pleasure that I write to invite you as judge for the Open House Kaizen2K-22 which will showcase the final year industry and user defined projects of B.E students on 22nd April 2022 at IT Department, L.D.College of Engineering. Open House event will be from 11:00 am to 5:00pm on 22nd April 2022, during which the projects will be displayed. With the ever growing demands of industry and a new impetus on Start-ups this event, with a remarkable number of **37** projects primed by **144** students, looks forward to open new vistas of opportunities and encouragement for the students. The best projects might be further taken up for patents and also to prototype in near future and that is where your expertise will guide us to map out top three projects from B.E .

It would be a delight to have you as guest for this occasion as it will lead to a lot of encouragement and inspiration for the students.

I hope you will accept this invitation and I look forward to hearing from you.

With thanks

F. M. C. Parikh
Yours sincerely
